

Political Party Foldable Federalist and Democratic-Republicans 8.5C

- You will create a Foldable over the Federalists and the Democratic-Republicans
 - You will use the information on pages 149-154 to find the information for your foldable.
 - You will put the name of the political party at the top of each side of the foldable
 - Under the name you will list the leader of each party.
 - You can choose to organize the foldable however you would like, but you must have the following four categories with the appropriate information.
 - The first category will be about their best form of government.
 - You will include a quote about what type of government the party wants
 - Then you will analyze the quote and create a #hashtag that summarizes type of government the party wants.
 - The last step is to create an icon that represents the type of government the party wants.
 - The second category will be about what their ideal (perfect) economy would be based on.
 - You will include a quote about what their ideal (perfect) economy would be based on.
 - Then you will analyze the quote and create a #hashtag that summarizes what their ideal (perfect) economy would be based on.
 - The last step is to create an icon that represents what their ideal (perfect) economy would be based on.
 - The third category will be about their view of the relations between France and Britain.
 - You will include a quote about their view of the relations between France and Britain.
 - Then you will analyze the quote and create a #hashtag that summarizes their view of the relations between France and Britain.
 - The last step is to create an icon that represents their view of the relations between France and Britain
 - The last category is to create a slogan for each political party that summarizes their beliefs.
